Object: Approval Certificate

25 January 2011

Approval Certificate

According to Clause 6.4.1 of the Operation Code and due to the type tests carried out in the Relay Protection Laboratory of Relay Protection and Telecommunication Department (OVRAM) and the Test Report No 45/2010 we issue Approval Certificate for

MainsPro mains decoupling relay.

Hereby we state that equipment mentioned above fulfils the requirements for relay protection equipment operating in power plants and substations of the Hungarian Power System.
